WHAT WE DO DIFFERENTLY

A SITE SURVEY AT YOUR FACILITY WILL HELP US TO ASSESS:

- ✓ The correct products, systems and service that comply with ISO:9001
- ✓ Account managers and service technicians committed to your priorities
- ✓ How to work best with your specialised departments
- ✓ Customised service, reporting and maintenance
- ✓ Regular delivery cycles, when and how you like it

HOW WE HELP YOU

SAVE TIME

- Preventative maintenance on equipment ensures smooth operation with no down time
- Emergency call out service - to get your team back to normal operations ASAP.

SAVE MONEY

- Quick, efficient systems that increase productivity and reduce labour demands
- The most competitive pricing structures and lowest cost per use dispensers available

REDUCE RISK

- ISO:9001 compliant products and systems
- Co-ordinated 'In service' chemical awareness training and arms length servicing and reporting on dispensing systems

SAVE THE ENVIRONMENT

- Paper consumables made from bamboo and sugarcane waste
- GECA approved products using sustainable waterways safe formulas

IMPROVE HYGIENE

- User-friendly systems that promote hygiene compliance and remove and kill bacteria effectively
- Systems, education and information that support your team in best practice

SIMPLIFY INVENTORY MANAGEMENT

- Range of re-ordering options and delivery cycles focused on your needs and available space
- Multiple delivery locations to cater for department ordering

LET QCS HELP YOU GAIN CONTROL OF YOUR CHEMICALS

COLOUR-CODED COMPLETE HYGIENE SOLUTION

FEATURES AND BENEFITS:

- Colour-coded, screen printed bottles to match dispenser buttons for easy identification
- Illuminates risk of incorrectly labelled and unidentified products
- Each bottle includes safety directions and directions for use
- All products are environmentally friendly and readily biodegradable
- Available with pivot caps or spray triggers

CHEMICAL MIXING STATION

FEATURES AND BENEFITS:

- Accommodates up to 5 different chemicals, all at different dilutions, on one unit.
- Allows users to select 1 of 4 products for spray bottle fill (short hose) and 1 product for bucket fill (long hose).
- **Saves Time** - At the push of a button chemical is blended accurately with water into your bottle or bucket.
- **Saves Money** - Eliminates over concentration of chemical and therefore reduces waste.
- **Improves Hygiene and Appearance** - Eliminates leftover chemical residue which attracts soiling.
- **Improves Safety** - Reduces the exposure of risk to your staff from handling undiluted chemicals.

ECO FRIENDLY FROM QCS

PAPER PRODUCTS THAT WONT COST YOU OR THE EARTH

Switching to Eco-Friendly from QCS can help your business move towards a more sustainable operation. In fact, it is probably one of the easiest changes you can make to help the environment!

- Uses fast growing grasses over trees
- Harvested in 4 months, not 30 years!
- Uses less water and land than traditional plantations
- Makes use of renewable resources and waste by-product
- More eco-friendly than recycled paper
- The sustainable alternative

QUEENSLAND
CLEANING SUPPLIES

ADD A TOUCH OF LUXURY TO YOUR WASHROOM WITH OUR HAND CARE PRODUCTS

The MVP Manual Soap and Sanitiser Dispenser combines a next generation dispenser design with disposable and fully recyclable high quality cartridges and pumps.

MVP LUXURY ANTI-BAC FOAM

The Sanitex® Anti-Bacterial Foam Soap is designed to reduce the growth of micro-organisms and is excellent for everyday cleansing of hands and promoting exemplary hygiene.

Dermatologically tested Sanitex® system
*1 cartridge = 2500 washes

Handwashing is the easiest and single most effective way to halt the spread of bacteria and germs that can lead to avoidable illnesses. Sanitex™ hand washing and sanitising products ensure that hands are clean and hygienic.

MVP INSTANT GEL SANITISER

Sanitex® MVP Instant Hand Gel with anti-bacterial action is an instantly refreshing and caring alcohol-based formula. This product is designed specifically to reduce the growth of micro-organisms on hands in areas where water is not available or required.

Sanitex® MVP Instant Hand Gel comes in a durable, sealed cartridge which ensures optimum hygiene at all times. Each cartridge comes with a new pump guaranteeing optimum performance and the packaging allows for no spills and is also fully recyclable.
